

Copyright Statement

São Paulo, ___ in _____ in 20__

The undersigned authors hereby approve the submission of article _____ and the subsequent transfer of all their copyrights by the Brazilian Orthopedic Act, in order to allow its publication.

The authors further attest that the work represents an original material, which does not infringe any third party copyright, and that no part of this work has been published or will be submitted for publication in another journal.

We declare to be aware that failure to comply with this commitment will subject the violator to penalties and penalties provided for in the Copyright Protection Act (No. 9610, of 02/19/98).
